TIRANA 2026

1. Evaluation of the team members

(Please evaluate with grades the work done by your team members, and a short description of what they did.)

No	Name	*Team effort	*Time management	*General grading	Description
1	Xhoi Ikonomi	10	10	10	TEAM LEADER + frontend development
2	Aida Bedaj	9	10	9	Backend development
3	Ajna Nushi	9	10	9	Frontend development
4	Parashqevi Klimi	9	10	9	Backend development

(Explanation: * The grading given is from 1-10)

2. Comments about the work done by other members

You should evaluate other members by making comments about their doings.

Xhoi : She did a great job has the team leader, in addition of her work on the differents dashboard she did all the meeting reports and manage the team when necessary

Aida/Parashqevi: They did all the backend of the application, so they have made a significant contribution to the project

Ajna: She work mainly on the frontend for the student dashboard which is the most elaborate, she also took charge of connect the student dashboard and the chatbox.

3. Work done by me

In this section you should name the works you have handled.

For this project I focus on doing the chatbox for the student dashboard and on implementing all the features for it like the collection of student information or the short term memory.
